

3 Beds

2.5 Baths

1,425 Sq Ft

This three-bedroom, two-story home features a generous great room with living and dining areas, a first-floor powder room and a designer kitchen including an island with breakfast bar and pantry. The owner's suite includes a private owner's bath and linen closet and the walk-in closet provides ample closet space. A full bath off the upper hall services the other bedrooms and a convenient second floor laundry with linen space. A two-car garage is included plus many more standard features.

Available Elevations

These floor plan and elevations are illustrations of an artist's conception of the home and may vary in detail from specifications and/or the actual home and may be shown with options. Variations may occur due to such reasons as, but no limited to, changes made during construction process, availability of materials, our continued improvement process, etc. Room dimensions and square footage are approximate. There may be many other available options not shown. This document is for illustrative purposes only and is not part of a legal contract. 5-21-24
