This Potomac plan is an end-unit garage townhome home with a two-car front load garage and beautiful front elevation with brick. Inside, the lower level contains a finished recreation room with additional powder room. The main level offers an open floorplan with a central kitchen with stainless steel appliances that are perfect for entertaining. The beautiful quartz countertops adorn the expansive kitchen island, and the farmhouse sink is sure to please any chef. The great room includes an electric fireplace, perfect for relaxing. From here you can access your outdoor deck. Upstairs contains the Owner's Suite with en-suite bath and walk in closet. Two more bedrooms and another full bath finish off this level.
