Welcome to our brand new open-concept Catawba plan! The kitchen contains a large island, walk-in pantry and optional butler's pantry. The kitchen opens to the breakfast room and family room with optional fireplace. The first floor also features a dining room, optional drop zone, optional deluxe kitchen, optional patio, screened porch or deck, and the option to go from a two car garage to a three car garage. The owner's bedroom on the second floor has an optional tray ceiling, huge owner's bath and walk-in closet. Two more bedrooms, a large open loft and the laundry room are all conveniently located on the second floor. The loft can be converted into a 4th bedroom. Make this home work for you!

Some photos have been virtually staged to better showcase the true potential of rooms and spaces in the home.
