Enter through the front porch and into the foyer, where you are greeted by the sizeable family room, open to the kitchen. Choose to upgrade to a gourmet kitchen, which features a large island, kitchen backsplash, and large pantry, perfect for any chef. Opt for an optional deck or screened porch and enjoy the outdoors. Upstairs includes three bedrooms and loft, which can be converted to an additional bedroom. The owner's suite features a luxurious bath, shower, and double vanity. Two walk-in closets provide plenty of extra storage space. Plenty of options available to make this floorplan your own!
